keep and maintain this scandal exclusively war for the preservation of white civilization. and manage it in their own way. If a In doing so they deliberately misrepresent first-class scandal be something to be proud facts. This race issue was not, as they of, Brooklyn has certainly good occasion would have the country believe, forced to glory in her prurient distinction. Let upon them by the carpet-baggers. On the an appearance in behalf of the Republican no decent community grow envious over this business, and let it be borne in mind lenders and conventions as far back as 1868. ing canvass, he will locate in Washington and that Brooklyn needs no advice in managing The leading Democratic paper in the State, resume the practice of his profession.

THE Republicans of the Richmond (Vs.) district have some assurance of success in district have some assurance of success in same year a Democratic convention in the the effort to elect a successor to the Honsame State resolved that "the Government" John Ambler Smith in Congress. Although the vote of the district is about equally divided between the two parties. the certain nomination of ex-Gov. Walker by the Conservatives will have the effect to strengthen our ticket, because he is simply and odiously unpopular with a large and influential class of his own party. In such an emergency as this the Republicans should select a man as their candidate worthy of the confidence of the community; one who declared that the "negro suffrage question has been long and favorably identified with the district, and one who will command the respect of all parties. Such a man we believe the Hon, Lucius H. Chandler to be. As an orator and scholar, as a ready debater and clear thinker, he has but few, if any, equals in the State. He is just the man to tear to pieces the specious threads "landsome Gilbert's" fine-spun theories, and to expose the rottenness of his pretentions to political honesty.

they have devised a remedy for the evils of "clis of the Government. The Northern the caucus system, and purpose putting it "people understand this, and are moving into operation as soon as possible. It is "in hosts to rid the country of this evil." briefly described as follows: "Meetings for The Democratic platform just adopted is the President, and that Mr. J. T. Goodman, "making nominations and selecting dele"gates and committees of the Republican
"party in the cliy shall be called by the
"Republican city committee, and shall be
"Republican city committee, and shall be "conducted as meetings for the election of come so full of bitterness and disappoint with the Euterprise six months ago, and the ment. When the armies of the Confederacy present editor says he is not the recipient of ment. When the armies of the Confederacy present editor says he is not the recipient of "The check-lists shall be used; all nomina- were disbanded, it is not an exaggeration to "tions and selections of delegates and com-"mittees shall be made by ballot, and the fortunate people whom they looked upon person or persons receiving the largest as the cause of all the difficulty. They number of ballots shall constitute such compelled them to band together in selfdelegations or committees. Previous to defence, and made them trust and follow mominating conventions, Republicans are implicitly men who, in many cases, used "to be notified by the city committee of them for their own selfish purposes. If the times and places at which they shall they had pursued a different policy—a polballot for their ward committees and for icy which suggests itself to the dullest committees to the conventions. Each ward prehension—the South would have a different policy which suggests itself to the dullest committee chooses a warden, clerk, and ent story to tell to-day. But in every State "two inspectors, who shall perform duties and in every Congressional district from two inspectors, who shall performed virginia to Louisiana the negroes were by corresponding officers at elections. At treated as allens and enemies; to be extermeetings called for making nominations minsted instead of protected and educated; or choosing delegates, no person whose to be kept in ignorance instead of taught. "name is not on the check-list and who is the duties and responsibilities of citizenship. Inc. a Republican shall be allowed to vote The fact is the ex-planters never despaired, in the first instance, and any such person and it would now seem do not now despair "offering to vote shall be questioned by the warden and inspectors, and the right to their former condition. Hence the spread to their former condition. Hence the spread to their former condition and the war of races which we see to day. The condition of the co bours fixed by the committee in the day movement of Southern incompetency, and

is justly due to the Republican politicisns; have the paper mailed to their address for

THE Chicago Inter-Ocean desires an autoritative statement as to the amount of a outstanding Government heads for the control of a stupid to-day as it was when General He certainly in the proposed form of the control has shown his usual discretion and sagacity. Implicus tone of public sentiment has under. We repeat that the people know these THE Chicago Inter-Ocean desires an auSouth is as bad, as blind, as prejudiced and the certainly is the last man they should, removed office to his residence, in Second to General Grant. The and the last man they will, select as a street, third door from Penasylvania are. Nath-im under the acts of 1862 and 1864. The debt division and dissension which then existed standard-bearer in the coming campaign. statement of August 1, just out, gives it as has been perpetuated, and as we write follows: Five-twenties of 1882, act of Feb- finds expression and illustration in the rusry 25, \$167,259,700; under act of March formation of white leagues in Louisians 8. 1884. 8046,000; act of June 80, 1864, and in a political war of races in Alabama. Puritan. "In his youth he was a rough cus-\$55,046,300; total of five-twenties, \$226.

The Democracy of the latter State have 551,900, outstanding under those acts. just held their State convention, and, as There are of ten-forties under act of March far as they could do it, have inflicted upon 8, 1864, outstanding. \$194,567,300, and of Alabams the worst blow she has received spurhim up the hill of knowledge. By defive-twenties of 1865, act of March 8, \$153, since the same party hurled her into the scent and early association the usurper was 534,350. From this it will be seen that the rebellion. They have divided the State consummation of the loan just negotiated into two hostile camps, into one of which will leave but \$47,000,000 of the five-twen- they have driven the white men and into the other the blacks, raising the battle cry is certain that he was 'a type' of the Puritans, of death to the negro. The first resolution Tun Brooklyn Union petulently says: in the declaration of principles set forth by Some of the Philadelphia editors are put- them proclaims "that the Radical and "ting themselves to the altogether super- "dominant faction of the Republican party fluous trouble of giving directions and in this State, persistently by false and "suggestions as to the proper management "fraudulent representations, have inflamed of the great scandal. But they had better "the passions and prejudices of the negroes, attend to their own scandals and go on "as a race, against the white people, and with their Centennial building. In man- have therefore made it necessary for the 'aging scandals of any kind Brooklyn "white people to unite and act together in needs no advice from Philadelphia." "self-defence and for the preservation of Now, it is to be hoped that no one will be- "white civilization." Here we have the come jealous with Brooklyn over this nasty race issue distinctly raised and avowed. The business. Let the "City of Churches" white Democrats of that State declare open
